Subject: Installation of LED lights on Blank Poles
Reference: DO NO.EESL/Raj-SL/15-16 Dated: 12.04.2016

In context to the above sited subject and letter in the reference for approval to provide LED lights on blanks poles in all the ULBs of Rajasthan. In this tasks we have recently issued Directions vide No. 293-497 dated: 12.04.2016 to all ULBs to get provide new LED lights on all the poles having phase wires. Copy of the order is enclosed herewith. In case, phase wire is not available on any pole weather it is blank or with conventional type light, no LED lights should be installed till erection of phase wire by ULBs. If the Pole is blank but with phase wire then LED light may be installed and its wattage should be equivalent to other LED wattage on same road or consider to be replaced with wattage of the conventional light that could have installed. Please ensure light illumination is better than early one.

EESL may therefore provide LED lights on blank poles in consultation with ULBs as detailed above and described the Guidelines order No. 293-497 Dated:12.04.2016. EESL may ensure that MOU signed for total Nos. of LED Light may be met and CCMS may be placed immediately after completion of installation of LED lights.

Encl:- As above
