Sub: Checking of Estimate of DPR and BOQ as per SOR of RUSDIP.

Dear Sir,

It has been observed that the DPR and Engineers Estimate are being submitted for approval without proper checking by DSC and IPIU in accordance to the nomenclature & rates on the basis of RUSDIP SOR. At times, it has been observed that the rates in the estimate are not as mentioned in the SOR of RUSDIP, which makes an impact during evaluation for % above/below quoted by the bidder during evaluation of bids.

It is therefore instructed that following should be compulsory followed:-

- (i) The DSC and PIU personnel should jointly proof check the calculation of quantities, nomenclature of item and the rates in accordance to SoR. The designated personnel (XEn/AEn PIU & Expert/Support Engineer of the city) will be jointly responsible in case of any discrepancy. PIU officials will certify that the rates in the Estimate are as per the SOR and the Estimate of the BOQ will be submitted at least 15 days before the receipt of the bids to the concerned sector in PMU and one copy to DyPD(T).
- (ii) The concerned sector in-charge in PMU & Support Engineer PMC will jointly be responsible for any discrepancy found during evaluation of bids in rates & nomenclature of the items. They should again check the bill of quantities and the rates before evaluation and confirm that these are as per Engineers estimate and in accordance to the SoR.
- (iii) It should be understood that the % above/below on the Engineers Estimate rates is a key factor in decision of the bids and the approval of variations at later stage.
- (iv) The POs/APOs of the PMU will thoroughly check and ensure that both the Estimate in the DPR and BOQ resembles to each other and if any shortcomings are found during/after the evaluation of bids, then strict action will be taken against the concerned POs/APOs PMU and the OIC PIU.
- (v) Concerned Sector POs/APOs are directed to check the Estimate for the bids received up-till now and ensure that all the rates are as per SOR and should give compliance up to 10.12.2008.

Yours Sincerely,

(Karni Singh Rathore)
