

GOVERNMENT OF RAJASTHAN
LSG AND UDH DEPARTMENTS

CE(HQ)/UDH/RESTORATION CHARGES/2025-13593-7474590

DATE: 13.06.2025

Circular

The following rates will be applicable with immediate effect for preparation of Optical Fiber Cable (OFC) laying restoration charges estimates in LSG and UDH Departments Rajasthan.

A. For open trenching up to 0.50 mtr. Width.

Sr.no.	Category of roads	Rates of restoration charges for OFC works (Rs./Mtrs.)
1-	Kachha road	174
2-	WBM road	546
3-	Paver road (BT road)	1426
4-	Footpath	1634
5-	CC road	2244
6-	Interlocking tile road	2043

B. For HDD method size up to 1.5m x 1.5m

Sr.no.	Category of roads	Rates of restoration charges for OFC works (Rs./pit)
1-	Kachha road	526
2-	WBM road	1640
3-	Paver road (BT road)	4282
4-	Footpath	4896
5-	CC road	6730
6-	Interlocking tile road	6130

Note:- the rate will be increase by 5% annually, starting form April 1, 2026.

During Monsoon i.e. from 15th June to 15th September no CC/BT/WBM road cuts shall be done in Urban Areas. All works of laying OFC should be repaired by Companies and concerning authority by 15th June. Remaining uncompleted works should be executed after end of Monsoon period i.e. after 15th Sept.

At the time of starting of work, Companies must display the information boards at the work site showing the details of the proposed work, schedule, Company name, contact Nos. of agency and permission etc. During execution of work companies should take due care in safeguarding other underlying public utilities.

For restoration work estimates the following point be considered at the time of preparation of the estimate.

1. If the service provider laid the OFC by HDD method then size of Pit 1.5x1.5m be taken for restoration cost for BT & CC work
2. Where the service provider want to cut the BT/CC surface the width is to be taken as 0.50 m.
3. The estimate is to be work out on the above rates mentioned in the table.
4. Application/Processing Fees for establishment of Underground telegraph infrastructure be added Rs. 1000/- per km. & no fee and charges shall be recovered from the Govt. Departments for establishing Telecommunication system including towers/Poles for their use as per guidelines issued by this office vide No. 3530 dt. 24.1.2023.
5. These charges be added for pro-rata, QC & contingency charges also.

The above restoration mechanism is to be adopted for all PWD/UDH/LSG roads uniformly. Therefore, it is directed that in future, the estimate for restoration charges for laying OFC should be sent as per the rates mentioned in the above table. If the estimate is not sent as per the requirement, the estimate will not be considered for issuing NOC.
