All sums due to and received by the Municipality have been brought to account and have been appropriately classified subject to following:

### General Issues

1. For the payment of revenue expenditure and capital expenditure, Approx 90% voucher has not been journalized before the payment.
2. There is neither Urban Development Tax assessment for the FY 2013-14. Nor other revenue assessment during the FY 2013-14. Therefore no tax or revenue income has been accrued for the FY 2013-14 at end of Financial Year.
3. Statement of Outstanding liabilities in the Form GEN-28 is not prepared. Therefore the double entry accounting has no conformity with Accrual Concept.
4. Bank Payment voucher (in the double entry accounting) not containing the cheque no in the narration.
5. The M.D.Vth Deduction deducted from the contractors who is done more than work specified in the G-Schedule. It is not fair practice of doing more work specified in the G-Schedule of work order.
6. During the FY 2013-14 the earnest money forfeited is not considered as income of ULB. The Journal voucher should be prepared for this.

### Recording & Classification Issues

7. In the BPL Avas Cash Book on the Page No. 36 totaled Rs. 320000, but payment is Rs. 280000.00 only Rs. 40000 is mistake due to totaling of cash book.
8. In the Ledger "TDS Income Tax payable" the opening balance of Rs.3110/- DR. and payment in this ledger of Rs.33800/-Dr. on dated 17.04.2013. These two amounts paid for the previous year. Later this amount (Rs.3110+Rs.33800=Rs.36910) debited to salary and allowance expenses account in the current year by crediting "TDS Income Tax payable Account" 05.03.2014. The above should be debited to prior period expenditure. (Note: This Problem is occur because no journal voucher has been passed for the salary due entries in the previous year as well as in the current year.)
9. The "Labour cess" is deducetd by ULB properly but during the Double entry Accounting, The labour cess is not properly recorded some time it is added in the Income Tax deducted of contractors accounts. Labour cess is accounted in the Ledger "Other Deduction (Labour)" which has debited balance on the year end of Rs. 45367/-. This accounts credited by Rs.45367/- by debiting Salary and Allowance Expenses on dated 31.03.2014. therefore Balance of ledger become Nil.
  - a. The Salary & allowance exp is wrongly debited by Rs.45367

- b. The "Other Deduction (Labour)" is not properly recorded the labour cess.
- c. In the Voucher No. 1348, 1349, 1398, 1399, The MD Vth Deduction of contractor, due to extra work from G-Schedule Work, deducted is wrongly credited in the ledger "Other Deduction (Labour)"

11. No Salary & Allowance exp voucher has been journalized before payment. Therefore no deductions out of salary(LIC, PF, Gratuity, Employees Loan etc) in each month has been credited but has been made (Deductions is debited before credit). Later on the year end such debit balance nullify by debiting Salary & Allowance exp.  
Salary voucher should be journalized before payment.
12. In Ledger "Earnest Money-Arihant Traders" payment of Rs.2000/- on dated 14.09.2013, but on opening balance or no amount of emd has been received before payment (reason being in the EMD ledger there has become debit balance)

In the FY 2013-14 the Earnest Money Ledgers has been segregated in the name wise list but opening balance has not been segregated in the name wise. Therefore in some EMD accounts has debited balance during the year or at the year end. Which were wrong.
